

# CALENDAR FOR COLLEGE PLANNING: SOPHOMORE YEAR

## FOR SOPHOMORES PLANNING FOR COLLEGE:

- September through October:** Make sure you're participating in extracurricular activities, but not at the expense of your grade point average.
- January through March:** Start planning your junior year. Make sure your class schedule will include courses necessary for admission to the schools of your choice. Also, choose advanced placement classes that might benefit you.
- Summer:** Be active! Do volunteer work, participate in summer activities, or go to summer school. It's never too early to begin with community service projects that can enhance your college applications. Start preparing for the PSAT.
